Dear Sir:

I, Michael J. Cuttler, residing at 4E Iron Carriage Court, Greensboro, North Carolina 27410, state as follows:

1. I am one of the applicants in the above-identified patent application and a co-inventor of the subject matter claimed in this application.
2. The invention related to this application includes, without limitation, at least those inventions (herein referred to as the "Inventions") claimed in the claims attached hereto as Exhibit A, incorporated herein by this reference.
3. I conceived of the Inventions and documented their conception prior to July 20, 2000, as evidenced by at least by the invention disclosure, which existed prior to July 20, 2000 and is attached hereto as Exhibit B. Reference to the content of Exhibit B will support other inventions and claims beyond those specifically identified in Exhibit A. With due diligence, the claimed invention was constructively reduced the invention to practice by filing a non-provisional application on August 14, 2000, as Serial Number 09/638,650.

4. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
